THE CHANGING FACE OF MR. DAVID FACINI

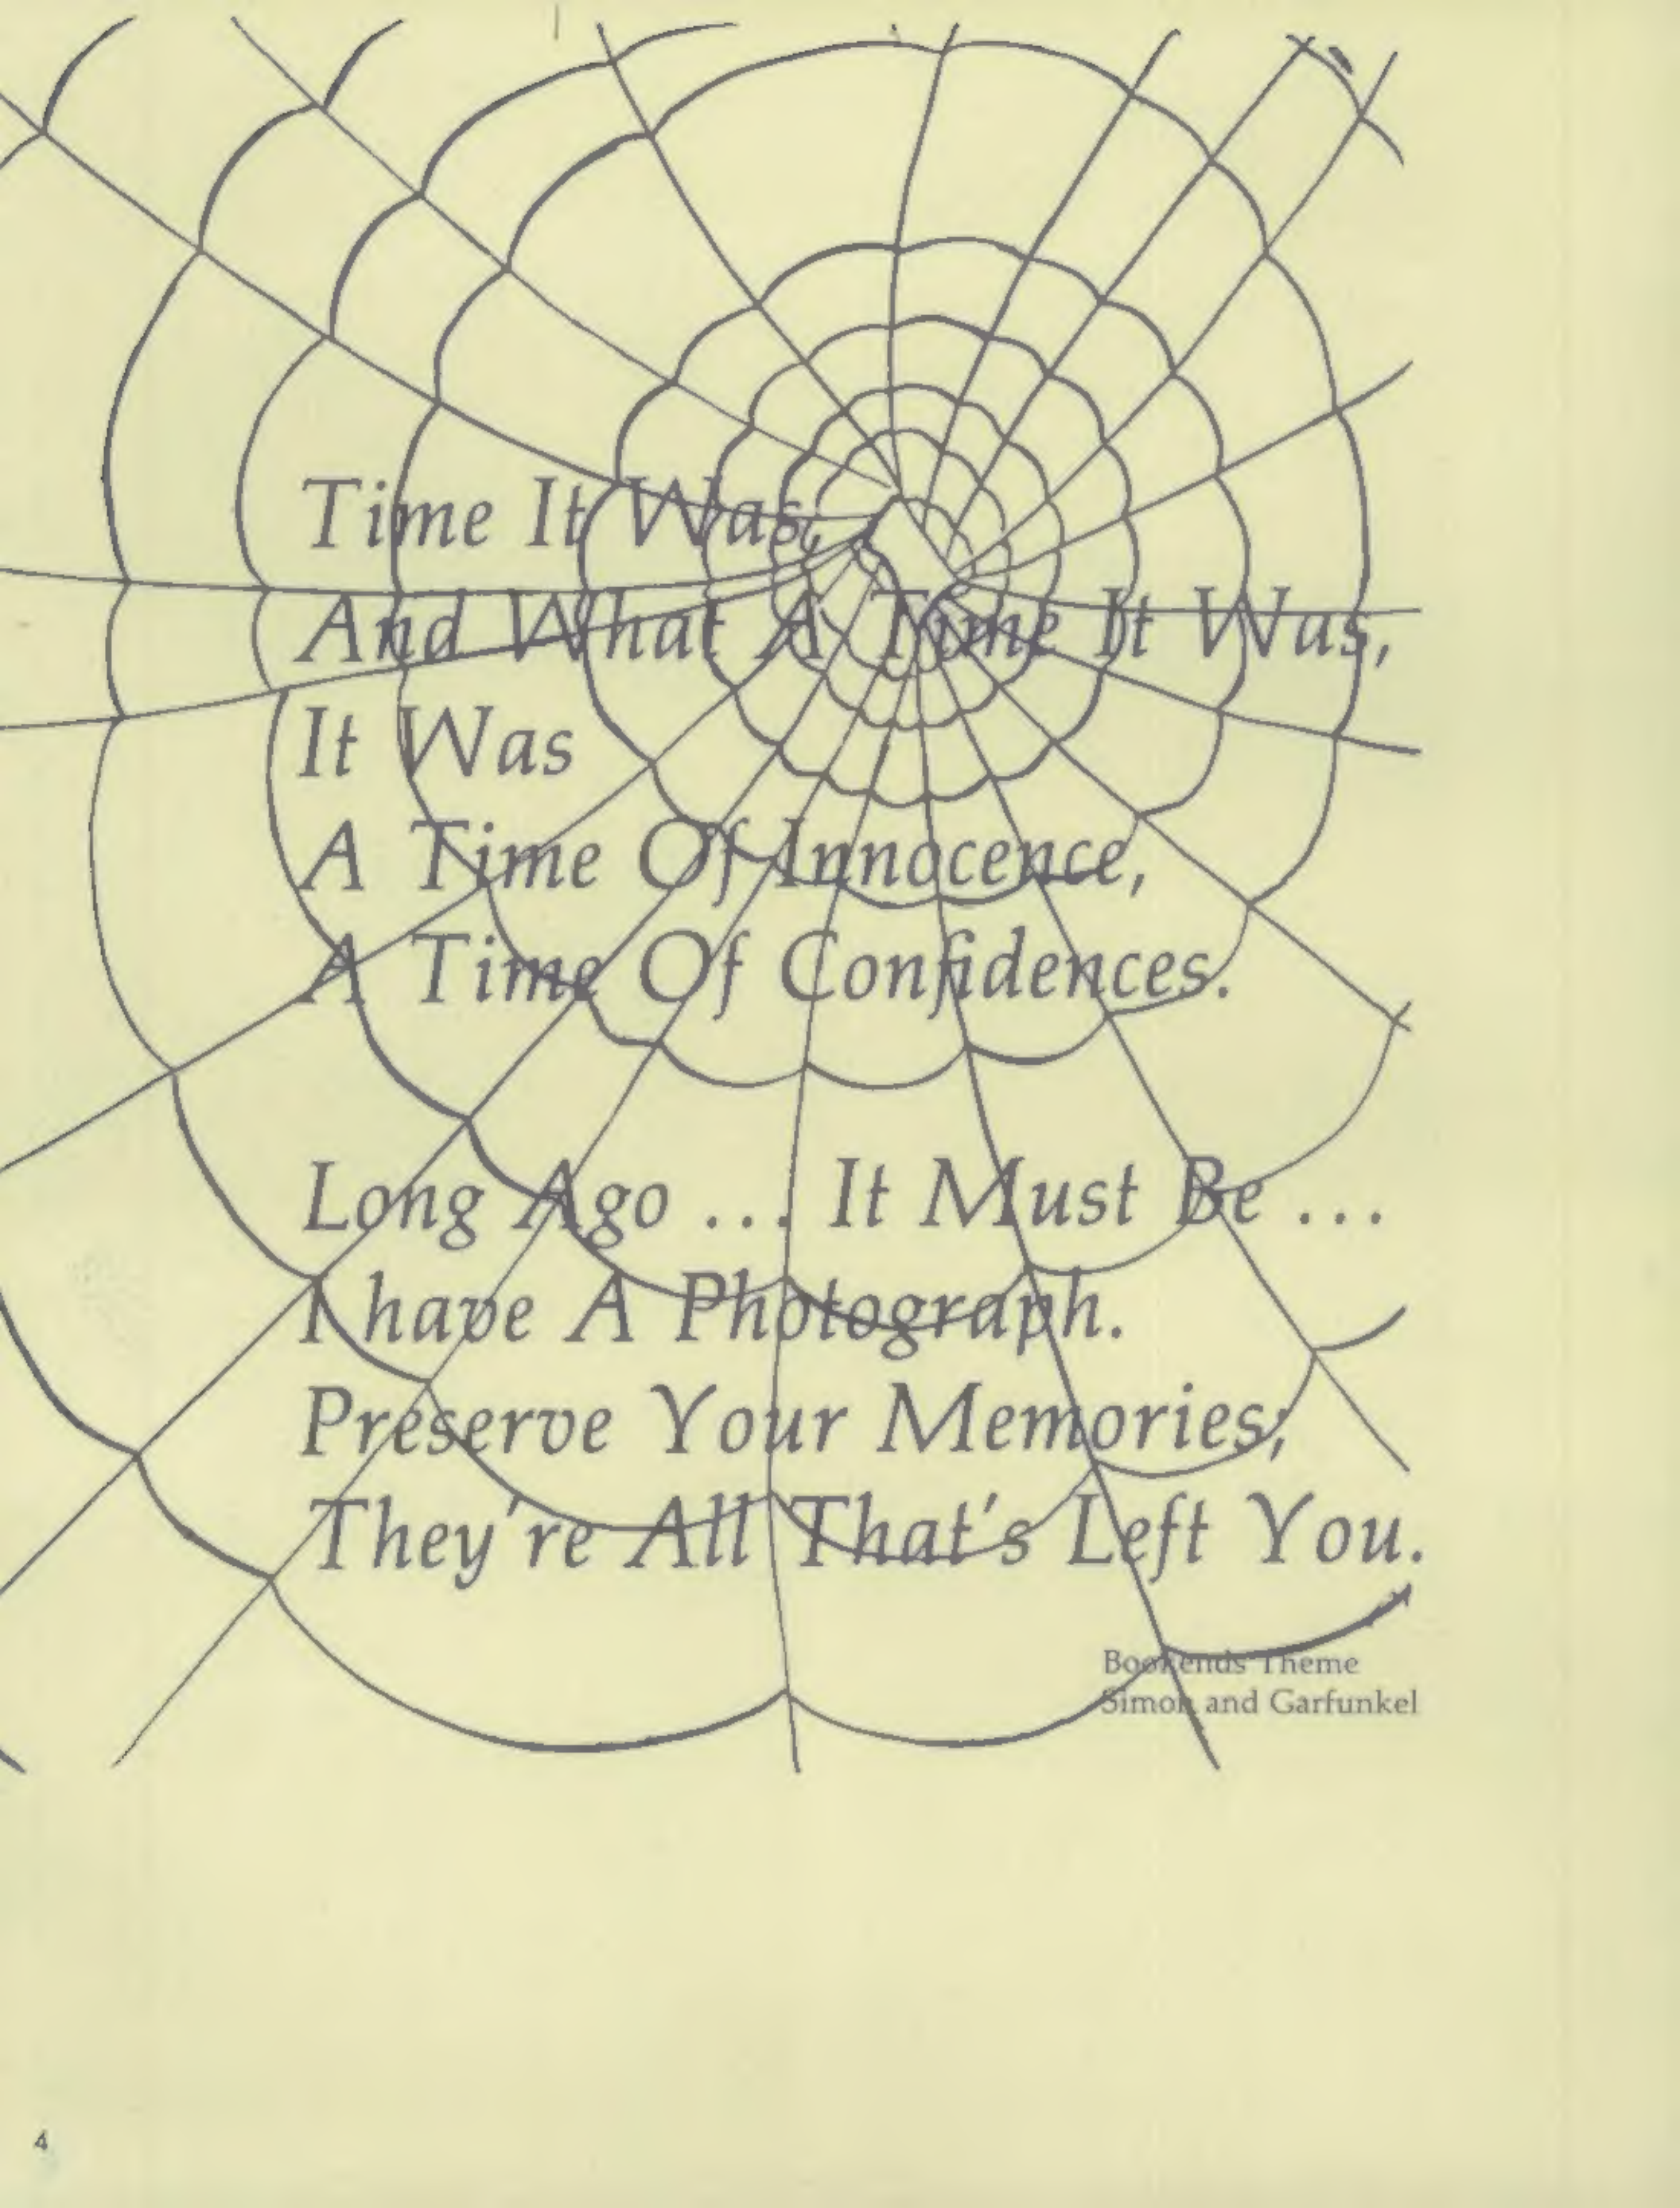

Over the past four years we have grown and travelled with you. You have been our companion and guide. You have shared your knowledge of Ancient and Asian civilizations. We have journeyed with you through Pakistan, India, and all of Southeast Asia. We have seen through your eyes a culture which is different from our own.

You have led us in our search for self, and helped each one of us develop as a person.

In class activities, sports, and school involvement, you have been more than just a teacher, you have been a friend.

For these special qualities, we wish to dedicate this yearbook to you.

*Time It Was,
And What A Time It Was,

HOMECOMING

The traditional pep rally, exciting soccer and football games, the crowning of the queen and a very successful dance were some of the highlights of Homecoming '72, which hundreds of students, parents, and alumni attended.

Although the bonfire scheduled for Friday night had to be cancelled due to bad weather, a pep rally was held in school Friday afternoon. Blayne Becker, Homecoming Committee Chairwoman, announced Jeff Jones as first Homecoming King in Wilton's history. The other five finalists were Ted Becker, Dan Dibner, Paul Pettersen, Frank Sesno, and Dirk Vavroch.

Rain forced the postponement of the football and soccer games to Monday, October 9, but the dance was held as planned on Saturday, October 7. The soccer players suffered a disappointing 2-1 loss to Darien in a well-matched and exciting contest. Steve Gross, Steve McCormick, and Ken Gibbon were outstanding players, with Steve Gross scoring the only goal.

Kinfolk Rig provided the music for the well-attended and highly successful dance that night.

The football game, after the traditional tailgate picnic, was a tense and thrilling contest. With much of the action in the last few minutes, Wilton beat Ridgefield by a score of 28-20. Team quarterback and co-captain Scott Eblen ran 80 yards for 1 of his 3 touchdowns, and passed 50 yards to Bill Scholz for the other touchdown. Harry Abbott was another standout of the game.

Half-time ceremonies included a performance by the marching band and majorettes, the parade of floats, and the crowning of a queen. The sophomore's float, a representation of a Ridgefield "Tiger" sick in bed was judged the best of the entries. This is the second year in a row this class has won the prize.

The six candidates for Homecoming Queen, escorted by the Homecoming King finalists, walked across the field under a ceremonial arch made by the marching band. The six finalists were Julie Asher, Wendy Barnes, Penny Herbert, Maria Madsen, Gretchen Oehler, and Carolyn Pesce. Finally, a crown, a bouquet of roses, and a kiss from Mr. Nick Zeoli, athletic director, were presented to Maria as she was declared Queen by King Jeff Jones.

VIVE LES ETATS-UNIS D'AMERIQUE!!

I am so grateful to the AFS program which gave me an opportunity to live in the states and to share the life of an American family. As I belong to a different culture, I found everything so wonderful even somewhat amazing ..

I wish to thank all those who collaborated to provide American communities and homes for us AFSers, and I look eagerly towards having kids from the United States visit Morocco. With the help of programs like AFS, young people can develop love and comprehension on the international scale ...

*"The time you won your town the race
We chaired you through the marketplace;
Man and boy stood cheering by,
And home we brought you should-high."*

HOMER, CM 119A 110C

The first part of the paper is devoted to the study of the asymptotic behavior of the solutions of the system (1.1) as $t \rightarrow \infty$. It is shown that the solutions of the system (1.1) are bounded and tend to zero as $t \rightarrow \infty$. The second part of the paper is devoted to the study of the asymptotic behavior of the solutions of the system (1.1) as $t \rightarrow 0$. It is shown that the solutions of the system (1.1) are bounded and tend to zero as $t \rightarrow 0$.

A NOTE TO THE FORWARD-LOOKING
CLASS OF '77
(COLLEGE THAT IS!)

A FUTURE IN AIR FREIGHT?

By 1977 air freight will be a multi-billion dollar industry. Our daily needs will be moving by air, and it will be commonplace to see jumbo air freighters in every part of the world.

Emery Air Freight will be the leader in 1977 as it is in 1973, and you might remember our building you passed on your way to Wilton High School each morning. A job could be yours at one of Emery's 100-plus world-wide locations.

All you are doing and saying is to America
dangled mirages,
You have not learn'd of Nature—of the politics
of Nature you have not learn'd the great
amplitude, rectitude, impartiality,
You have not seen that only such as they are
for these States,
And that what is less than they must sooner
